## Supplemental Enrichment Program (SEP)

The PTO is proud to present our Supplemental Enrichment Program (SEP) 2015/2016 class offerings. Classes will begin on Wednesday, November 4th and will end on Monday, February 8<sup>th</sup>. Please pay careful attention to the class schedule as not all classes will run during all weeks due to holidays and teacher workdays. SEP classes are a fun and affordable way for students to learn a new skill.

We are doing something a little differently this school year for our SEP classes. Instead of having a Spring SEP and a Fall SEP session, we are having one extended session that covers both semesters. This will be a ten week session. Please note that because we have increased the number of classes within the session, you will notice an increase in price.

**Classes will be filled on a first come, first serve basis.**

**Deadline to enroll is Friday, October 23rd.**

Class enrollment will be confirmed once the minimum required attendance is met. Parents will be notified of acceptance or denial into our program via email.

**Please consider signing up as an attendance volunteer. We can't run this program without your help! We need volunteers Monday – Thursday from 3:30-4:00pm.**

A limited number of scholarships are available. Please contact Amy Cunningham at [cunninax@pwcs.edu](mailto:cunninax@pwcs.edu) for more information.

If you have not heard from us by Friday, October 30th, or if you have any other questions or concerns, please contact us at [timberwolfsep@gmail.com](mailto:timberwolfsep@gmail.com)

Thank you for your support!!!
